Overall Length:

3.500 inches

Overall Height:

1.000 inches

Overall Width:

3.000 inches

Wattage Rating:

3.000 watts and 5.000 watts

Voltage In Volts And Current Type:

240.0 ac

Product Name:

Media converter

Special Features:

Operating temperature minus 40.0 degrees c to plus 55.0 degrees c; data rate 10 mbps, half duplex mode; cooling method convection; metal mounting clips included

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
