Overall Length:

11.375 inches

Overall Height:

2.750 inches

Overall Width:

9.250 inches

Voltage In Volts And Current Type:

240.0 ac

Special Features:

Tri-mode access point with 802.11b/g and 802.11a radios; includes power supply and support for active ethernet and ieee.802.3af, software and documentation, cable cover and mounting bracket; 10/100 base-t ethernet (rj-45); 32mb sdram, 8mb flash memory; autosensing 100/240vac, 50/60hz; operating temperature 0 to 55 deg. C

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
