Power Source:

External

Mounting Method:

Rack

Terminal Type And Quantity:

24 jack

Maximumlength:

20.000 inches

Maximumwidth:

3.000 inches

Maximumheight:

2.000 inches

Product Name:

24 port cat 5e rack mount patch panel

Special Features:

Ideal for network expansion, fully compatible gigabit ethernet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A31700
