Overall Length:

10.500 inches

Overall Height:

1.900 inches

Overall Width:

5.200 inches

End Application:

Trimble optical and gps surveying equipment

Usage Design:

Controller, hand-held computer

Component Type And Quantity:

1 bracket and 1 controller

Product Name:

Controller

Special Features:

9-pin serial port; color display

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511I0
