**Overall Length:**

10.500 inches

**Overall Height:**

1.900 inches

**Overall Width:**

5.200 inches

**End Application:**

Trimble optical and gps surveying equipment

**Usage Design:**

Controller, hand-held computer

**Component Type And Quantity:**

1 bracket and 1 controller

**Product Name:**

Controller

**Special Features:**

9-pin serial port; color display

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511I0
