Overall Length:

11.000 inches

Overall Height:

2.000 inches

Overall Width:

5.500 inches

Product Name:

Pb series passive press box

Special Features:

The box is constructed with rugged, cold-rolled steel with 12 output; input impedance: 2k ohms; output impedance: 150 ohms; model number: pb12

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T213-a
