End Application:

7400443-00 (90536), kidd

Product Name:

Generator, gps time and frequency, precision, modular

Special Features:

Assembly consists of xli 1u generator, gps timing engine, antenna and 50 foot coaxial cable, oscillator and nts on ethernet port

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
