Multiplexer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5895-01-567-6836

## **Multiplexing Method:**

Frequency division

## Product Name:

Ciscocatalyst 3750 series switch

## **Special Features:**

1570nm 1000 base zx cwdm sfp transceiver; gigabit ethernet and 1g/2g fc (orange); fault tolerant, biodirectionalcisco stackwise technology; automated configuration and management; optimizer for gigabit ethernet; ipv6-capable in hardware; configuration flexibility; support for dynamic network patterns; automation of layer 2-4 intelligent services

Shelf Life:

N/a

#### Unit Of Measure:

---

#### Demilitarization:

No

Fiig:

T187-f
