Product Name:

Serial rapidio switch module

Special Features:

: dual-sided pcb assembly; designed for installation in vita 41.2 compliant cots chassis; 18 connections running 4x at 2.5 gbps;
dimensions: 160 mmx 233.3 mm; input voltage: 5v from backplane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
