Overall Length:		
34.500 inches		
Overall Height:		
21.590 inches		
Overall Width:		
22.470 inches		
End Application:		
4123- (1skf1), transit case assembly		
Locking Device:		
Not included		
Handle Quantity:		
4		
Handle Location:		
Opposite sides		
Product Name:		
Inavy-case, transit, tsc composite rackmount cases		
Special Features:		
Hybrid stacking ribs allow for 10 unit height stackability w/older generation cases;	nestable lids reduce storage volume; e	quipped w/field
replaceable stainless steel, butterfly latches, w/spare latch inside lids		
Material:		
Aluminum		
Material:		
Aluminum		
Shelf Life:		
N/a		
Unit Of Measure:		
Demilitarization:		
No		
Fiig:		
T358-a
