**Special Features:**

Switch stackable , processor: mpc8245 400mhz , memory: 256mb , port qty: 48x 10/t100/tx1000 , data transfer rate: 1 gbps , communication mode: falf and full duplex , supports: bootp , rarp , arp , vlan , igmp , voltage requirements: 120/230vac, 50/60hz , power consumption: 560watts , size: 17.4 inch width, 14.4 inch depth , 1.7 inch height

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23800
