Special Features:

Switch stackable , processor: mpc8245 400mhz , memory: 256mb , port qty: 48x 10/t100/tx1000 , data transfer rate: 1 gbps , communication mode: falf and full duplex , supports: bootp , rarp , arp , vlan , igmp , voltage requirements: 120/230vac, 50/60hz , power consumption: 560watts , size: 17.4 inch width, 14.4 inch depth , 1.7 inch height

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
