Radio Frequency Power Divider - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5895-01-590-9105

### **Overall Length:**

0.390 inches

### **Overall Height:**

0.225 inches

# Overall Width:

0.310 inches

## Insertion Loss In Decibels:

0.7

#### **Special Features:**

Operating temp range -40 to 85 degrees celcius; storage temp range: -55 to 100 degrees celcius; power input as a splitter: 1 watt max; internal dissipation: 0.125 watt max; very wideband 20 to 2000 mhz

#### Shelf Life:

N/a

### Unit Of Measure:

--

## Demilitarization:

No

### Fiig:

A512n0
