**Storage Tempurature Range:**

-40.0/+85.0 degrees celsius

**Unpackaged Unit Length:**

56.500 millimeters

**Unpackaged Unit Width:**

13.400 millimeters

**Unpackaged Unit Height:**

8.500 millimeters

**Product Name:**

100base-lx10 sfp for fast ethernet sfp ports

**Functional Description:**

Hot swappable input/output device that plugs into a fast ethernet port or slot,  linking the port with the network

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
