Storage Temperature Range:

-40.0/+85.0 degrees celsius

Unpackaged Unit Length:

56.500 millimeters

Unpackaged Unit Width:

13.400 millimeters

Unpackaged Unit Height:

8.500 millimeters

Product Name:

100base-lx10 sfp for fast ethernet sfp ports

Functional Description:

Hot swappable input/output device that plugs into a fast ethernet port or slot, linking the port with the network

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
