Overall Length:

6.10 inches

Overall Height:

0.96 inches

Overall Width:

1.14 inches

Product Name:

Coupler

Special Features:

Housing, die cast aluminum alloy a380 or a384

Specification Data:

4z977-saeas9100reva professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-c
