**Overall Length:**

15.0 inches

**Overall Height:**

9.0 inches

**Overall Width:**

6.50 inches

**End Application:**

Range safety display

**Product Name:**

Cru dataport 4-bay external enclosure

**Special Features:**

Dataport 4 bay multilane subsystem populated w/dp10vrs sata; drive support is 4; drive type sas, serial ata; form factor is external; input voltage is 110vac, 220vac; interfaces/ports aresas internal and 1xsff-8470 exteranl; power supply 300 watt

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
