Overall Height:

91.0 millimeters

Overall Width:

40.0 millimeters

Overall Thickness:

23.6 millimeters

End Application:

Panel, ship co

Product Name:

Modem, rs232/rs-422

Special Features:

: op temp 0 to 60 degrees c; 20ma @ 5v; built in 120 ohm termination resistors; led port power indicator; for external power, 5 to 12 vdc power supply can be connected using adaptor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T187-d
