

View Online at <https://aerobasegroup.com/nsn/5895-01-620-6329>

**Special Features:**

Dual-band controller -based 802.11a 2 x 3 multiple input, multiple output with 2 spatial streams; maximal ratio combining, legacy beamforming; 20-40mhz channels; phy data rates up to 3000 mbps; packet aggregation; 802.11 dynamic frequency selection; cyclic shift diversity support; 10/100/1000 base-t autosensing interfaces; status led indicator; 128mb dram system memory; 44-57 vdc input power; 12.95 w power draw; wi-fi multimedia

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T187-d
