End Application:

Docs

Unpackaged Unit Length:

40.0 millimeters

Unpackaged Unit Width:

30.0 millimeters

Unpackaged Unit Height:

79.0 millimeters

Criticality Code Justification:

Feat

Product Name:

System control group, management-planning

Special Features:

Esd and emi sensitivity; operating power requirements 120v a/c

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
