Overall Length:

13.750 inches

Overall Height:

17.750 inches

Body Length:

13.750 inches

Body Height:

17.750 inches

End Application:

Tactical terminal control system, a502, a3314853-1

Mounting Configuration:

Screw

Product Name:

Nato cover assembly

Specification Data:

0y6c2-asme y14.100-2004 national std/spec and 0y6c2-mil-prf-907 government specification and 0y6c2-mil-std-130 government standard

Specification Or Standard:

3.460 thickness

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700

Mil-std (military Standard):

Mil-prf-907 spec.
