Unpackaged Unit Width:

3.98 inches

Unpackaged Unit Height:

3.98 inches

Product Name:

2 port phone adapter

Special Features:

Data networking; voice gateway; voice features; fax capability; security; provisioning, administration and maintenance; physical interfaces; subscriber line interface circui (slic)

Supplementary Features:

Dc input voltage: 5v dc at 2.0a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
