Overall Height:

1.75 inches

Overall Width:

17.5 inches

Voltage In Volts And Current Type:

60.0 dc

Product Name:

Siteboss 550

Special Features:

Base unit supports 2 serial and 2 ethernet connections

Color:

Black and gray

General Description:

Unit used for remote monitoring and control of equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
