**End Application:**

Communication set satellite

**Product Name:**

Manpack satellite terminal

**Special Features:**

Key features no fans passively cooled, high performance-low loss, g/g 20 degrees elevation, 65cm antenna 14.2db/k, 90cm antenna 17.1 db/k, system weight 27lbs, operational temp -20 to 55c,

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
