End Application:

Communication set satellite

Product Name:

Manpack satellite terminal

Special Features:

Key features no fans passively cooled, high performance-low loss, g/g 20 degrees elevation, 65cm antenna 14.2db/k, 90cm antenna 17.1 db/k, system weight 27lbs, operational temp -20 to 55c,

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
