Overall Length:

21.7 inches

Overall Height:

8.9 inches

Overall Width:

14.0 inches

End Application:

5895-01-616-2576

Locking Device:

Not included

Product Name:

Case, electronic communications equipment

Special Features:

Modified for pacstar communication system aux kit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-a
