| Electrical Resistance:                                          |
|-----------------------------------------------------------------|
| 3.500 kilohms                                                   |
| Resistance Tolerance In Percent:                                |
| -5.000/+5.000                                                   |
| Ambient Tempurature In Deg Celsius At Full Rated Power:         |
| 25.0                                                            |
| Ambient Tempurature In Deg Celsius At Zero Percent Rated Power: |
| 275.0                                                           |
| Inclosure Method:                                               |
|                                                                 |
| Encapsulated Tamas                                              |
| Terminal Type:                                                  |
| Wire lead                                                       |
| Body Diameter:                                                  |
| 0.312 inches                                                    |
| Body Length:                                                    |
| 1.750 inches                                                    |
| Power Dissipation Rating In Watts:                              |
| 10.000 free air                                                 |
| Style Designator:                                               |
| Axial terminal each end                                         |
| Shelf Life:                                                     |
| N/a                                                             |
| Unit Of Measure:                                                |
|                                                                 |
| Demilitarization:                                               |
| No                                                              |
| Fiig:                                                           |
| A001a0                                                          |
|                                                                 |
|                                                                 |
