**Mounting Method:**

Terminal

**Component Quantity:**

28

**Component Controlling Agency:**

North american rockwell corporation autonetics div

**Assembly Construction Method:**

Mounted on terminal board

**Component Relationship:**

Not matched

**Specification Data:**

94756-30437-717 manufacturers specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T172-f
