Resistor Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5905-00-321-0612

Terminal Quantity:
3
Terminal Type:
Wire lead
Component Quantity:
2
Component Controlling Agency:
Minneapolis-honeywell regulator company
Component Name:
Resistor and pin assembly
Component Identifying Number:
461905 drawing no.
Assembly Construction Method:
Terminals wired together
Component Relationship:
Not matched
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T172-f
