Terminal Quantity:

2

Terminal Type:

Solder lug

Overall Length:

1.125 inches

Overall Height:

1.563 inches

Overall Width:

0.813 inches

Mounting Configuration:

Bracket mtg three 5/32 in. Diameter mtg holes 7/32 in. C to c in straight line

Element Material:

Silicon carbide

Resistance Rating At Specificationified Voltage:

1250000 ohms at 25 vdc

Resistance Temperature Rating:

Between 70.0 degrees fahrenheit and 85.0 degrees fahrenheit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-d
