| Towns wet use Coefficient Of Projectores In Daw Box Don Coloine |
|-----------------------------------------------------------------|
| Tempurature Coefficient Of Resistance In Ppm Per Deg Celsius:   |
| -250.0/+250.0                                                   |
| Electrical Resistance:                                          |
| 120.000 ohms                                                    |
| Resistance Tolerance In Percent:                                |
| -2.000/+2.000                                                   |
| Ambient Tempurature In Deg Celsius At Full Rated Power:         |
| 70.0                                                            |
| Ambient Tempurature In Deg Celsius At Zero Percent Rated Power: |
| 150.0                                                           |
| Tempurature Range Of Tempurature Coefficient In Deg Celsius:    |
| -55.0/+125.0                                                    |
| Inclosure Method:                                               |
| Encapsulated                                                    |
| Terminal Type:                                                  |
| Wire lead                                                       |
| Reliability Indicator:                                          |
| Not established                                                 |
| Body Diameter:                                                  |
| 0.098 inches                                                    |
| Body Length:                                                    |
| 0.281 inches                                                    |
| Power Dissipation Rating In Watts:                              |
| 0.125 free air                                                  |
| Style Designator:                                               |
| Axial terminal each end                                         |
| Shelf Life:                                                     |
| N/a                                                             |
| Unit Of Measure:                                                |
|                                                                 |
| Demilitarization:                                               |
| No                                                              |
