Width:

3.750 inches

Thickness:

0.250 inches

Length:

4.250 inches

Component Quantity:

12

Assembly Construction Method:

Mounted on terminal board

Component Relationship:

Not matched

Specification Data:

28480-05065 manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-f
