Mounting Method:

Any acceptable

Component Quantity:

2

Component Controlling Agency:

Department of the army

Component Name:

Resistance element

Component Identifying Number:

9015386 part no. And 9015576 part no.

Assembly Construction Method:

Mounted on chassis

Component Relationship:

Not matched

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-f
