Overall Length:

2.250 inches

Overall Height:

0.270 inches

Overall Width:

1.370 inches

Component Type And Quantity:

2 terminal and 2 ring

Special Features:

Component type and quantity: resistor element 2; mounting configuration: two mtg slots

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A5110
