**Section Quantity:**

1

**Body Style:**

Cylindrical servo mounted

**Reliability Indicator:**

Not established

**Shaft Style:**

Round

**Actuator Type:**

Single shaft

**Features Provided:**

Humidity proof

**Special Features:**

Gear mounted on shaft 0.280 in. From resistor body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A002a0
