Body Style:

Rectangular

Actuator Type:

Integral knob

End Application:

B and k instruments graphic level recorder no. 2305

Function Conformity Tolerance Per Section:

-0.10/+0.10 all sections

Function Conformity Per Section:

All sections proportional conformity

Function Characteristic Per Section:

All sections 10 db logarithmic

Special Features:

50 to 160 mvac and 100 to 315 mvdc ranges

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A002a0
