NSN 5905-01-170-1335

Nonprecision Wire Wound Variable Resistor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5905-01-170-1335

Section Quantity:
2
Body Style:
Cylindrical bushing mounted
Criticality Code Justification:
Zzzw
Departure From Cited Document:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A002a0
