| Section Quantity:                  |
|------------------------------------|
| 1                                  |
| Reliability Indicator:             |
| Not established                    |
| Shaft Bearing Type:                |
| Bearing                            |
| Electrical Resistance Per Section: |
| 50.000 ohms single section         |
| Standard Taper Curve Per Section:  |
| A single section                   |
| Shelf Life:                        |
| N/a                                |
| Unit Of Measure:                   |
|                                    |
| Demilitarization:                  |
| No                                 |
| Fiig:                              |
| A002a0                             |
