Wire Wound Fixed Resistor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5905-01-218-8656

Criticality Code Justification:

Zzzy

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A001a0
