Resistor Assembly - Page 1 of 1

## Mounting Method:

Solder

**End Application:** 

Peacekeeper imu

## Component Quantity:

7 and 1 and 1

### **Component Name:**

Carbon resistor, plug adapter, solid elec wire

## Assembly Construction Method:

Terminals soldered together

## Component Relationship:

Not matched

Shelf Life:

N/a

#### Unit Of Measure:

--

#### Demilitarization:

No
