**Section Quantity:**

1

**Body Style:**

Cylindrical bushing mounted

**Actuator Type:**

Integral knob with counter

**Features Provided:**

Shaft seal and humidity proof

**Special Features:**

14.7v max, 4a; neg gnd only; resistive load; rev polarity protected; black wire must be ground; lighting control only

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A002a0
