Terminal Quantity:

2

Overall Length:

2.010 inches

Overall Height:

0.230 inches

Overall Diameter:

0.886 inches

Criticality Code Justification:

Zzzy

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-d
