Nonprecision Wire Wound Variable Resistor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5905-01-310-0684

Criticality Code Justification:
Zzzw
Special Features:
Future procurement use: 9n5905 01 305 3489
Departure From Cited Document:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
