**Board Material:**

Any acceptable

**Mounting Method:**

Screw

**End Application:**

Interface test adapter

**Component Quantity:**

1 and 1 and 5 and 1

**Component Controlling Agency:**

Hercules defnese elec sys, inc

**Component Name:**

Plate assembly

**Component Identifying Number:**

2641659 drawing no.

**Assembly Construction Method:**

Mounted on terminal board

**Component Relationship:**

Not matched

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T172-f
