Board Material:

Any acceptable

Mounting Method:

Screw

End Application:

Interface test adapter

Component Quantity:

1 and 1 and 5 and 1

Component Controlling Agency:

Hercules defnese elec sys, inc

Component Name:

Plate assembly

Component Identifying Number:

2641659 drawing no.

Assembly Construction Method:

Mounted on terminal board

Component Relationship:

Not matched

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T172-f
