Reliability Indicator:

Not established

Terminal Length:

3.125 inches

Probe Length:

2.375 inches

Probe Diameter:

0.250 inches

End Application:

Test set, audio

Inclosure Type:

Encapsulated

Special Features:

Supplied with sst armor cable

Style Designator:

Probe

Terminal Type And Quantity:

3 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A086a0
