NSN 5905-01-355-5310

Nonprecision Wire Wound Variable Resistor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5905-01-355-5310

Section Quantity:
1
Body Style:
Cylindrical bushing mounted
Reliability Indicator:
Not established
End Application:
Welding machine
Mounting Method:
Standard bushing
Electrical Resistance Per Section:
100.000 kilohms single section
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A002a0
