Resistor Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5905-01-489-1599

Mounting Method:
Solder
Assembly Construction Method:
Mounted on printed circuit board
Component Relationship:
Matched for resultant resistance
Special Features:
Consists of circuit board and multiple resistors
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

T172-f
