

View Online at <https://aerobasegroup.com/nsn/5905-01-498-0908>

Inclosure Method:

Encapsulated

End Application:

Ari 18240

Special Features:

High reliability surface mount resistor; metal glaze; operating temperature -55/+150 degrees c

Style Designator:

Axial terminal each end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A001a0
