Washer Resistor - Page 1 of 1

No

View Online at https://aerobasegroup.com/nsn/5905-01-525-9655

| Overall Diameter: |
|------------------------------------------------------------------------|
| 5.000 inches |
| Supplementary Features: |
| 0.500 ohms ceramic resistor, contacts are brass metallization on faces |
| Shelf Life: |
| N/a |
| Unit Of Measure: |
| |
| Demilitarization: |
